

are honoured to support the

Australian Education Grants

The aim is to promote education on the recycling of products utilised within the perioperative setting
Grant is applicable to members from PNAQ, NSW OTA, VPNG, TORN, SAPNA, ORNA & NTPN who are current and have been members for two consecutive years

Grants Available

One (1) successful applicant from each of the State and Territory will receive -

Airfares

Accommodation and Registration

to attend the

15th ACORN National Conference 2012 TERRITORIAL BOUNDARIES: DARE TO BE DIVERSE in DARWIN, NT from 22 – 26 MAY 2012

To apply, you must provide a 150/200 word abstract outlining your suggestion, proposal or innovation concerning environmental considerations in the perioperative arena. Given the rapid increase in the use of disposable products, you are asked to consider best environmental, ecological practice or ideas on new product concepts that would assist in this area. The possibilities for your submission are broad, covering recycling, reuse, ecological impacts and ecological sustainability.

Winners will be expected to present their winning topic, in a suitable format, at the 2012 ACORN Conference. One stream of sessions at the conference shall be dedicated to sustainable practice, showcasing the winning entries and the active support by Multigate.

A panel from Multigate Medical Products Pty Ltd and ACORN shall shortlist the abstract entries for these awards and preside over the stream of presentations at the conference.

Please download and complete the application and abstract submission form from the ACORN conference website, ensuring it is clearly marked as MULTIGATE Education Grant Award Entry.

All entries must be received by January 8th 2012; no abstracts will be accepted after this date

Winners will be notified by: February 10th 2012

Note: 100% of the conference program (not including invited sessions) must be attended

Good Luck and hope to see you at the conference!
